

## Airspace Refresher

The presentation will provide a review of airspace requirements including TFRs with a focus on the Chicago area requirements. Will discuss standard procedures and practices to make flying safer and avoid airspace violations.

**Directions:** From I-55 go north on Weber Rd to Clow International Parkway, turn left to end of road, at Clow Airport sign turn right and follow access road (past stop sign) to parking lot at the end. The hangar entrance faces the runway, across from display aircraft, entrance door on right side facing hangar.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
